

2021 Oak Hill Seasonal Orienteering Course Information

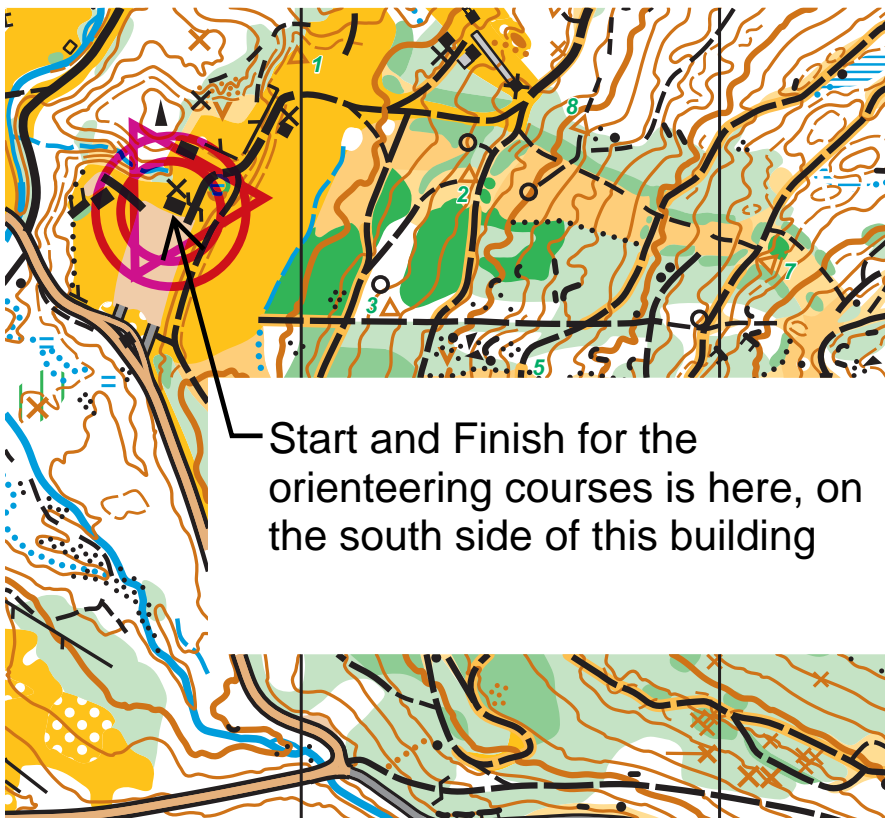

Courses available May 15, 2021 thru Oct. 31, 2021.

There are two courses available: A 2.8 Km “Yellow” course of beginner/intermediate difficulty and a 5.0 Km “Green” course of advanced difficulty. Note that these distances are “straight line” so your actual distance will be more and the courses will take more time than the distances imply. Expect to spend 15 to 45 min. per Km because of the navigation required.

The start and finish are the south side of the small building at the north end of the parking lot. There is a sign on the south side indicating this.

Parking is available at Oak Hill, GPS coordinates 43.722439, -72.262854. From Hanover, head north on Route 10 approximately 1.4 miles to the first traffic circle. Turn right onto Reservoir Rd and go approximately 0.6 miles. Take a sharp left toward the Storrs Pond Recreation area. Go down the hill and turn right into the parking area immediately before the Storrs Pond pay booth. You do not need to pay to park at Oak Hill or to do the course. A Port-O-Let is located at the north end of the parking area adjacent to the start/finish.

If you get lost while doing the course, head west and south. That will bring you back to the parking lot or the Storrs Pond Recreation Area.

Start and Finish for the orienteering courses is here, on the south side of this building

Oak Hill Permanent Orienteering Controls look like this

PLEASE PRACTICE SOCIAL DISTANCING
Protect yourself and others from infections
MAINTAIN A 6 FT. DISTANCE FROM OTHERS
